

Fossil in rock

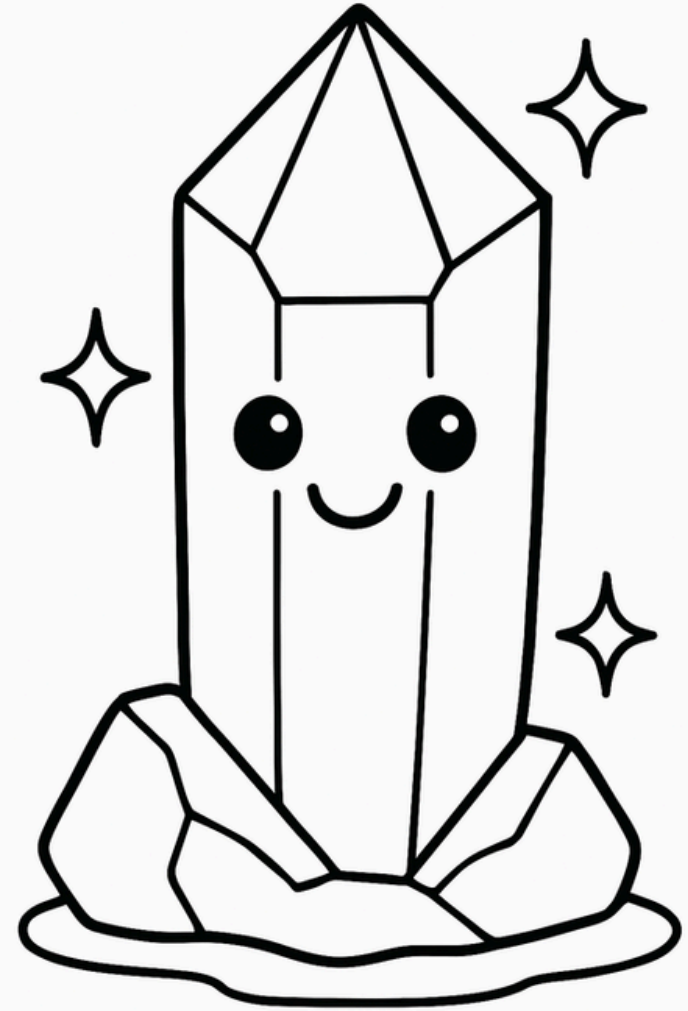

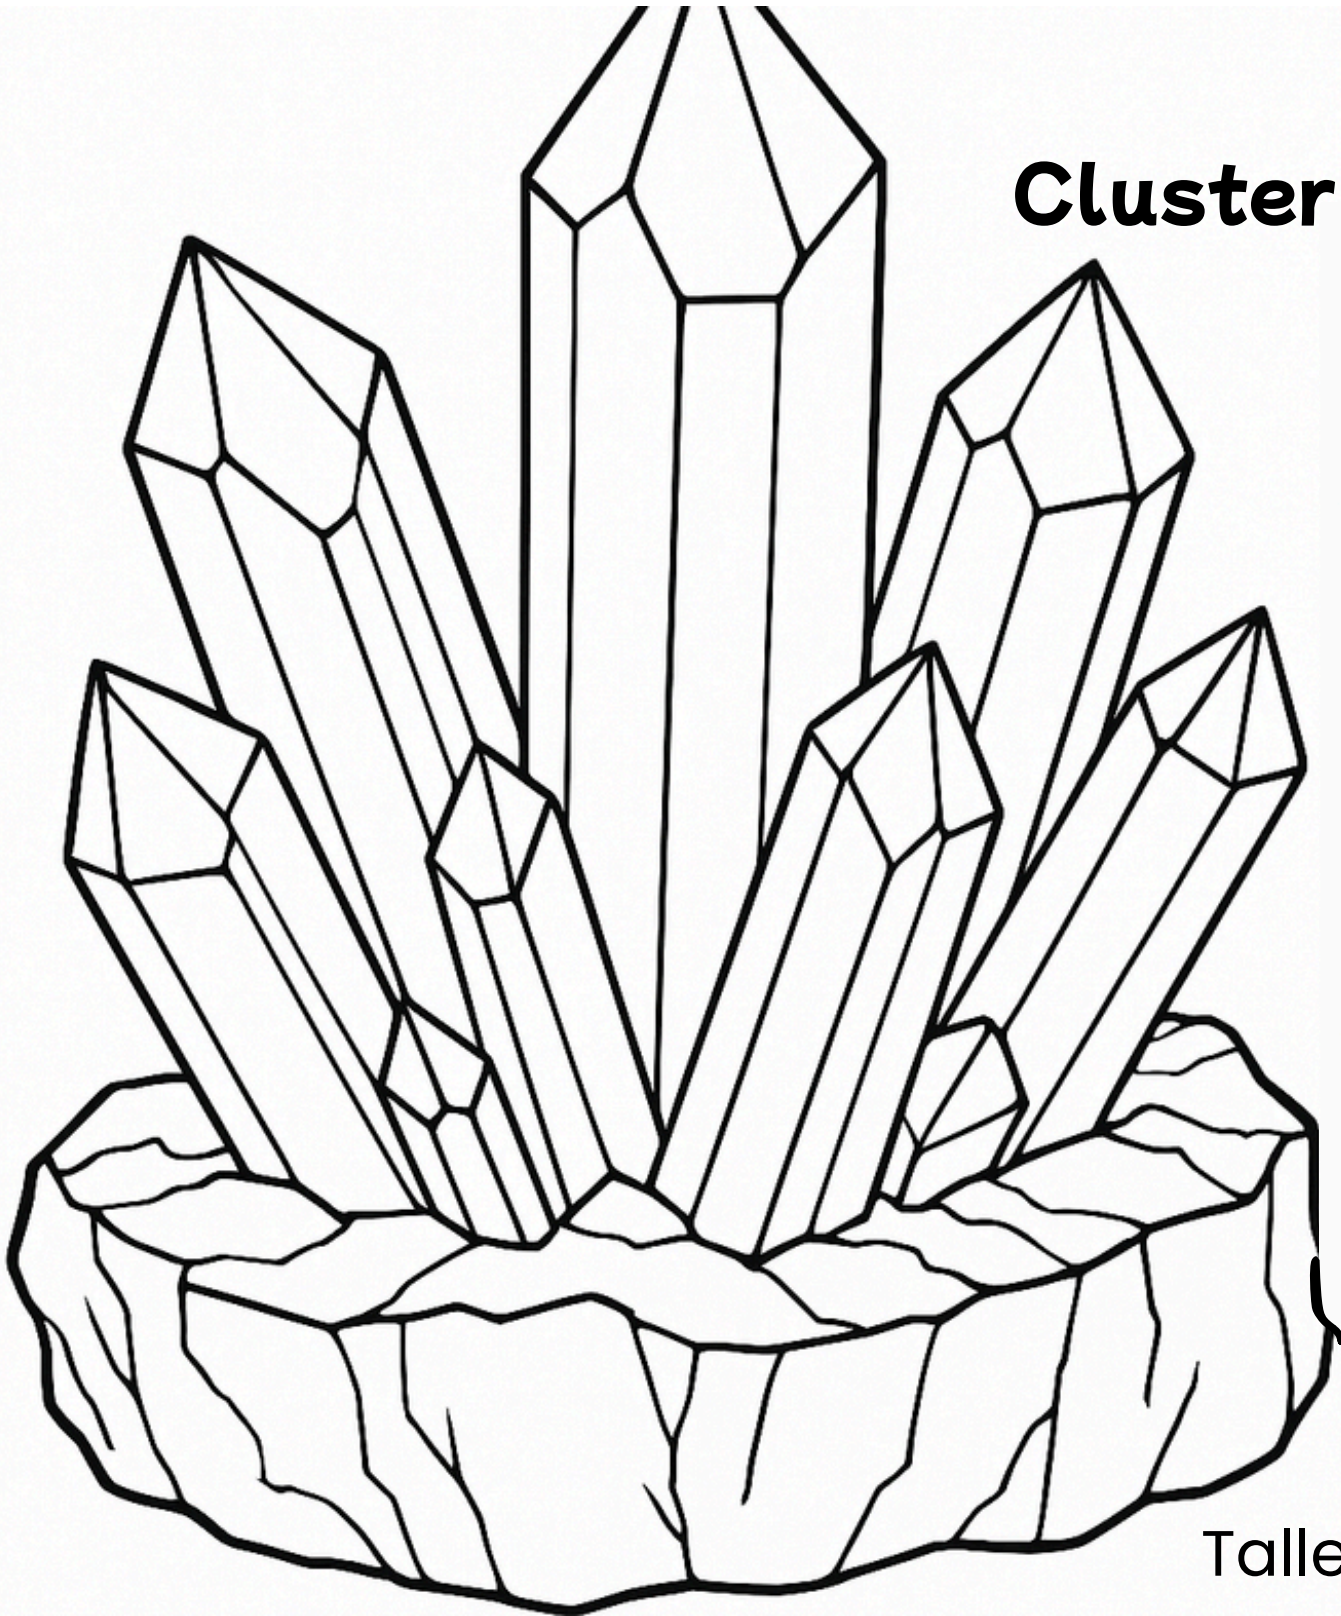

Fossil

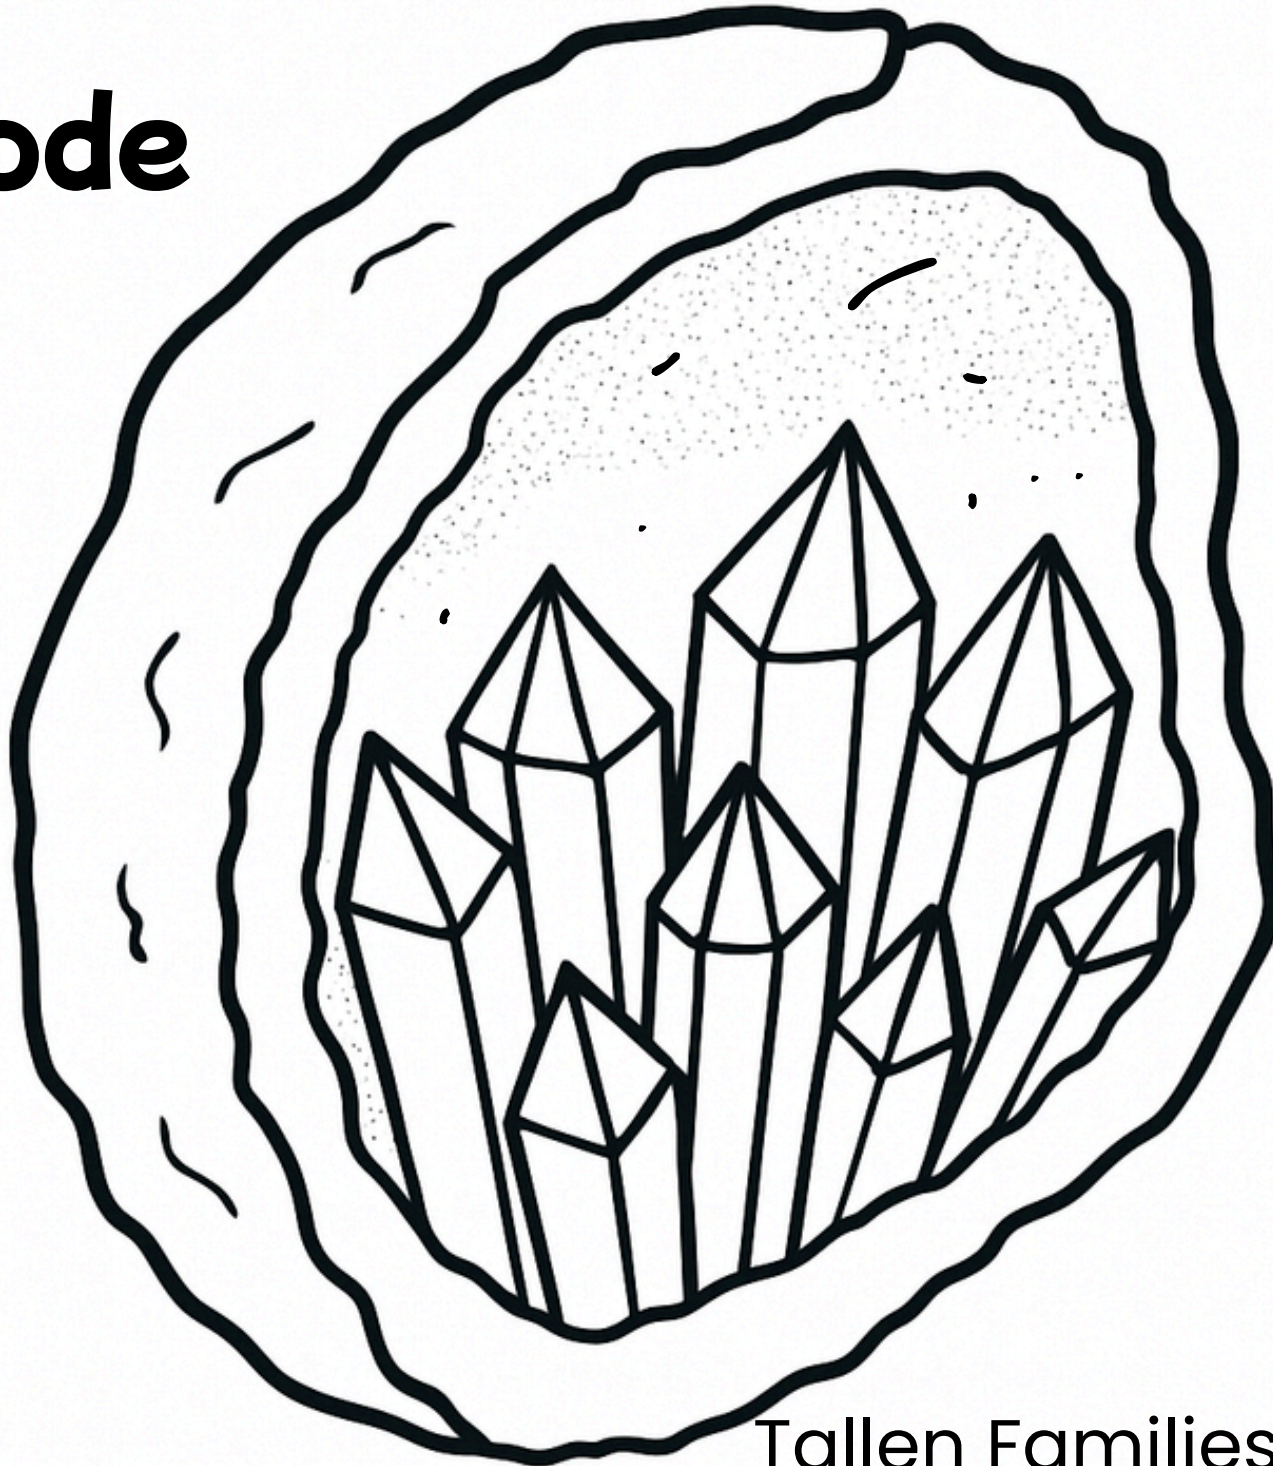

Lots of Crystals

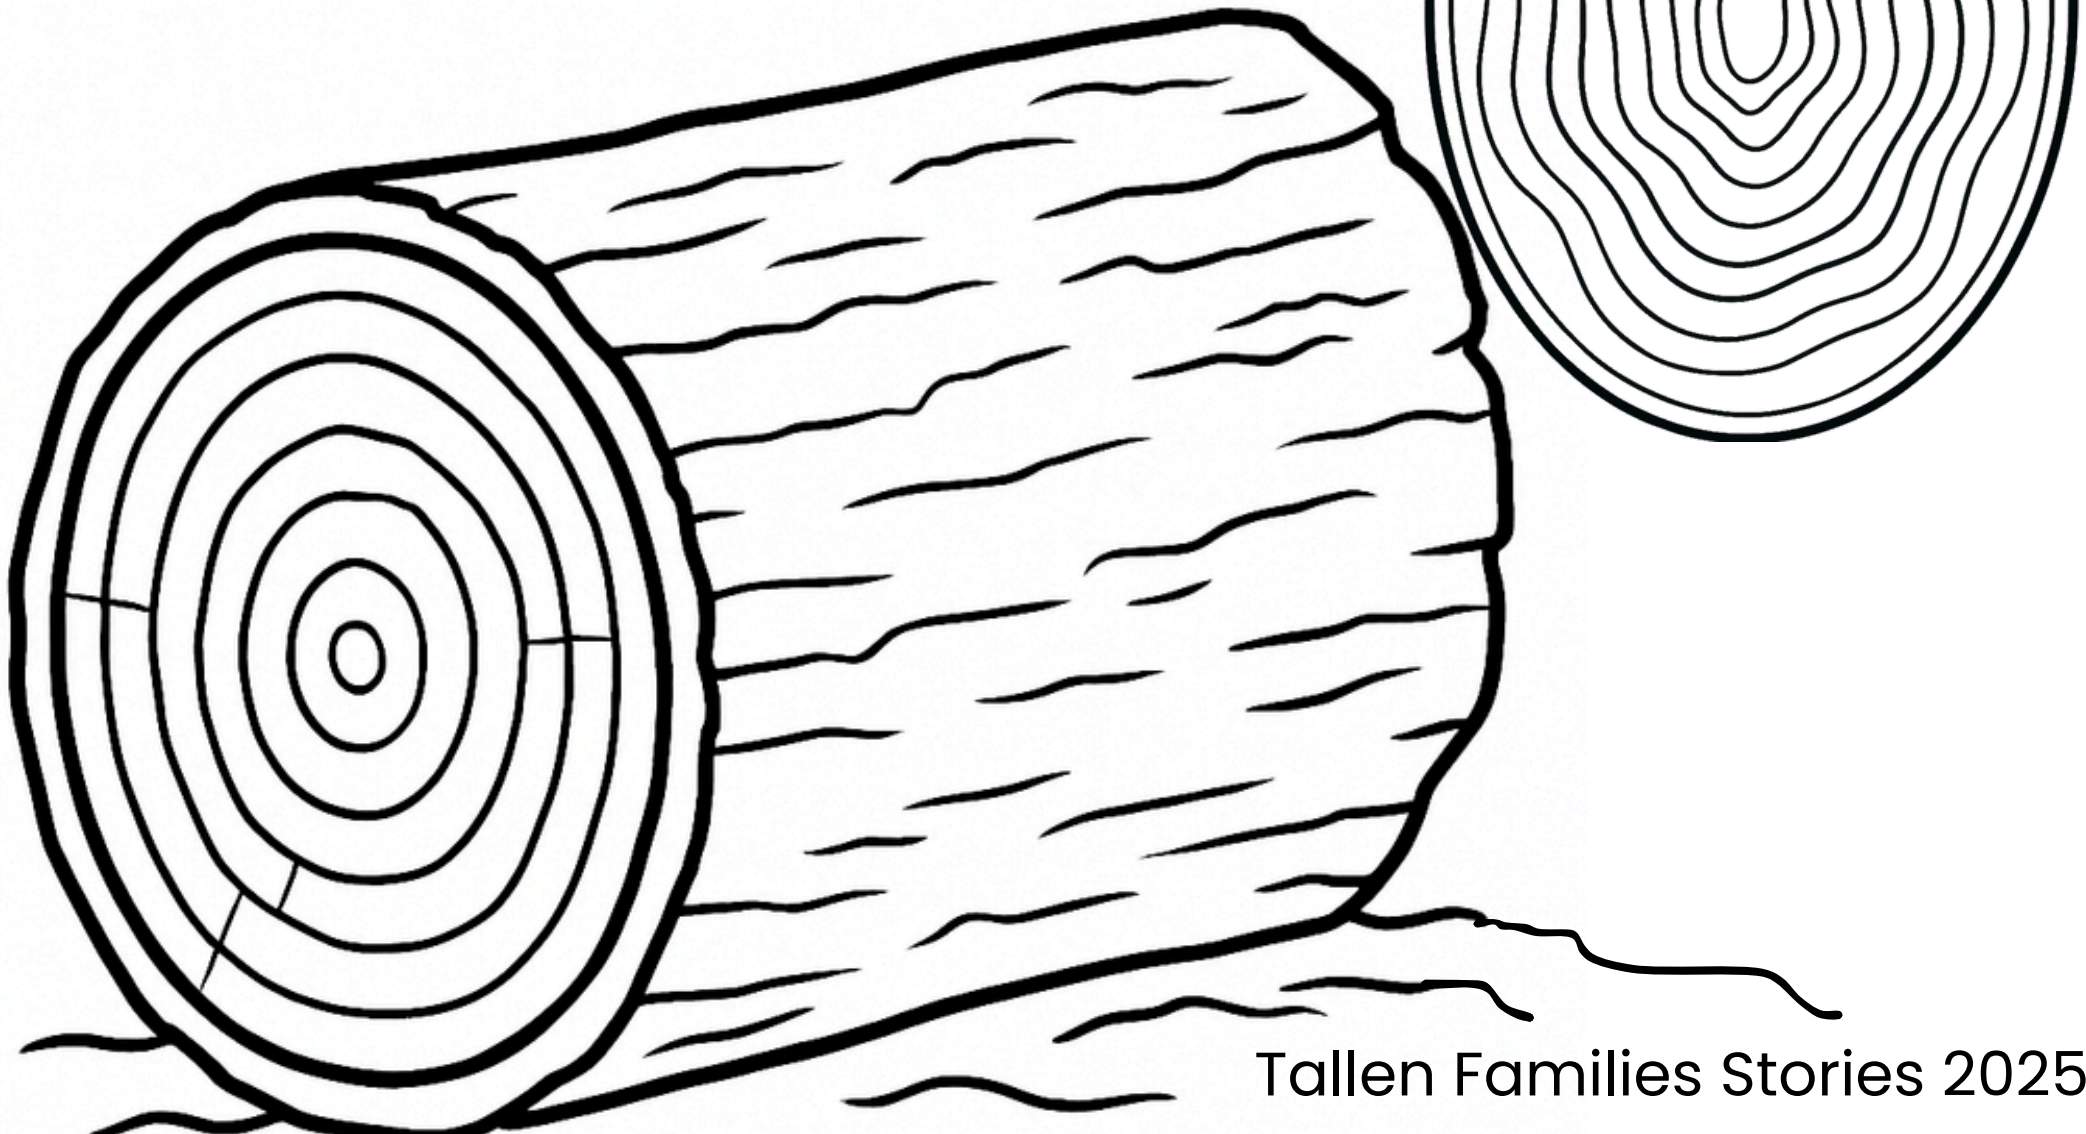

Cluster vs Crystal

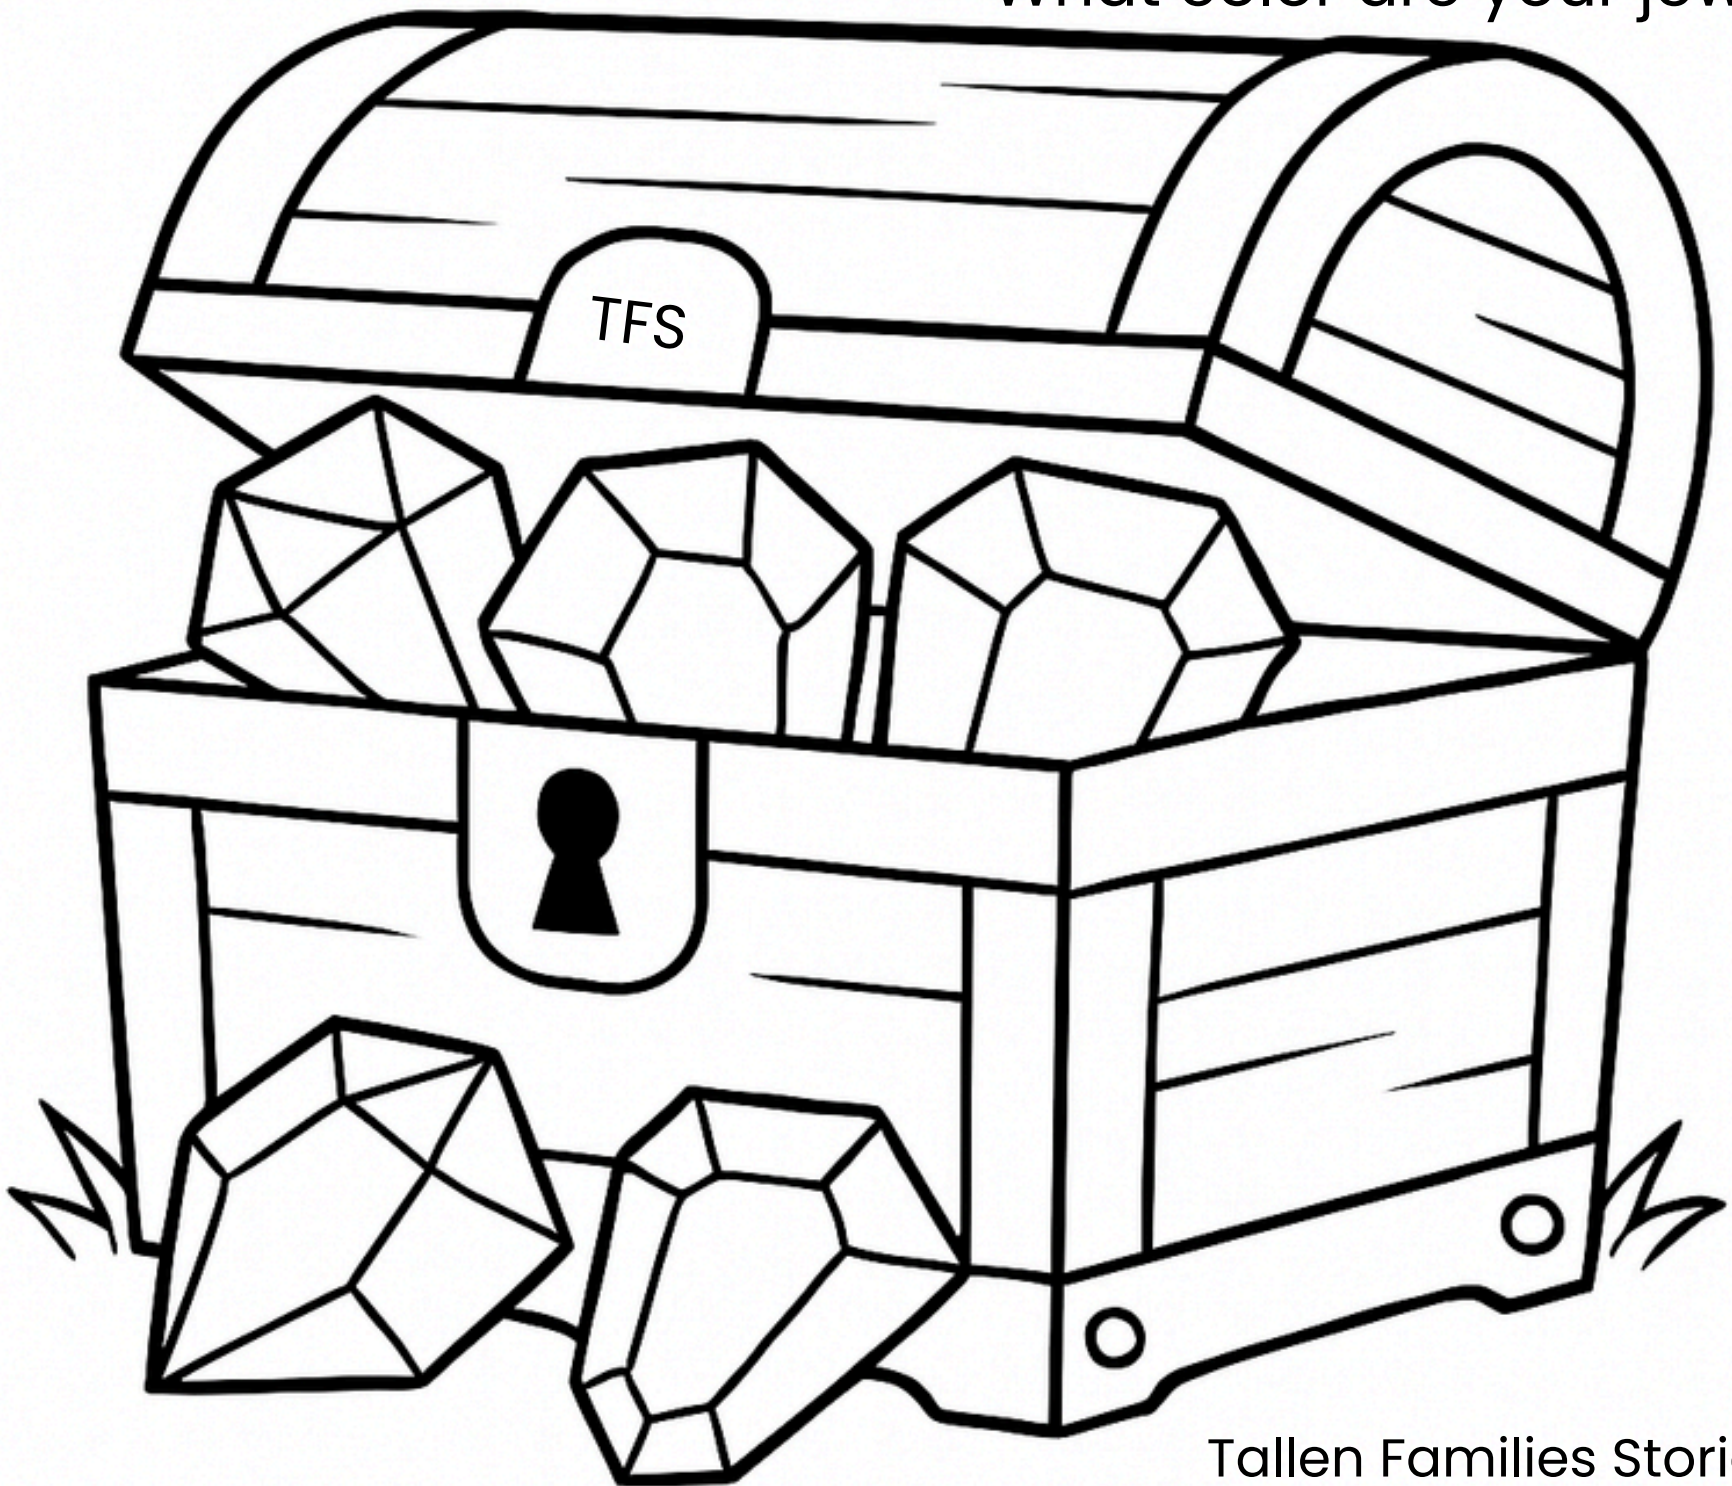

Geode

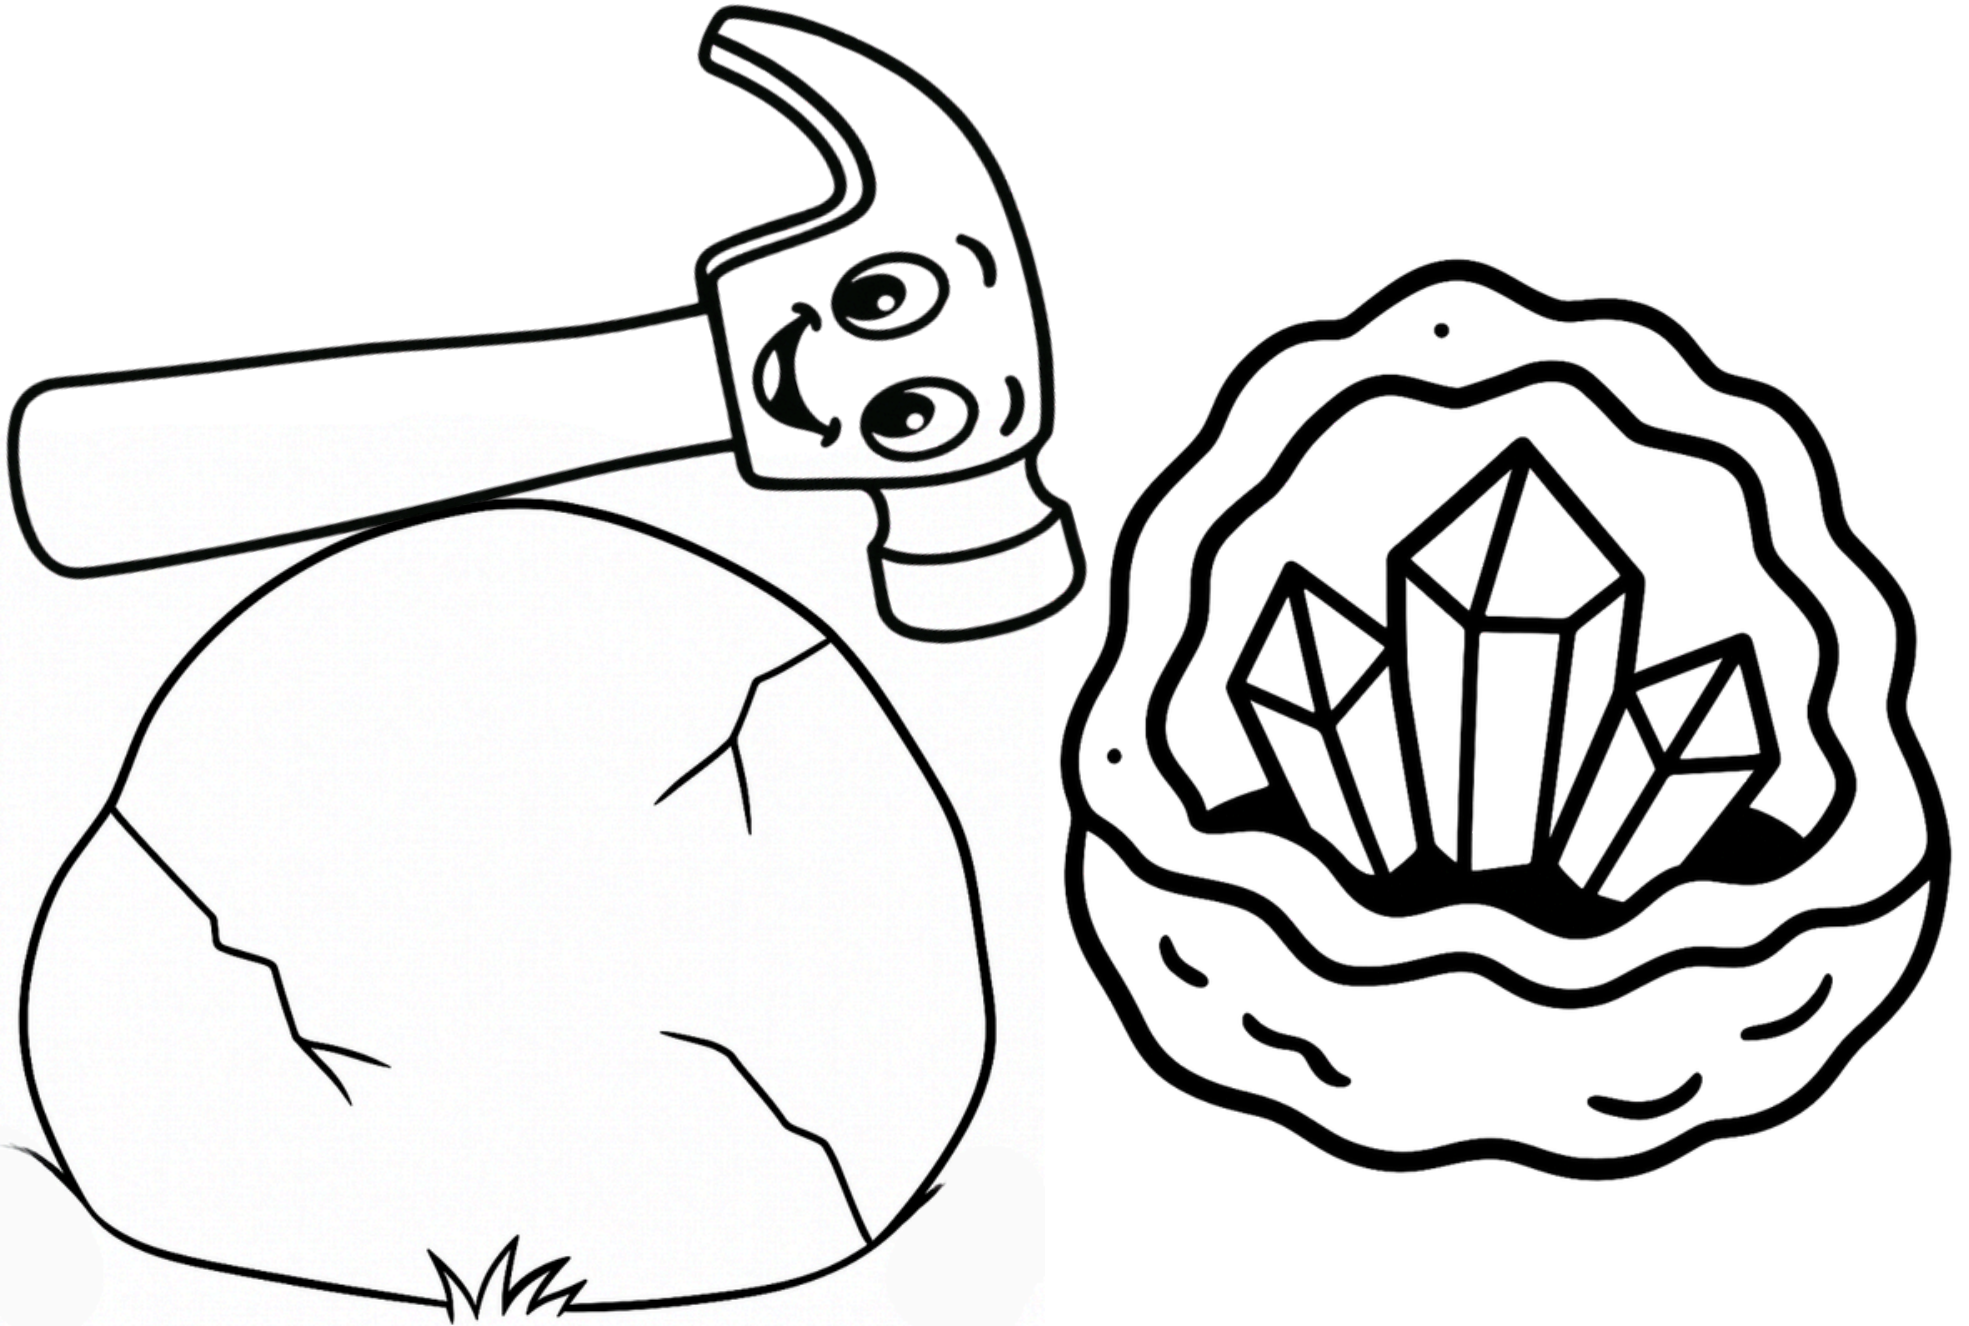

**Did you know wood can turn into rock
and some rock are used for cooking?**

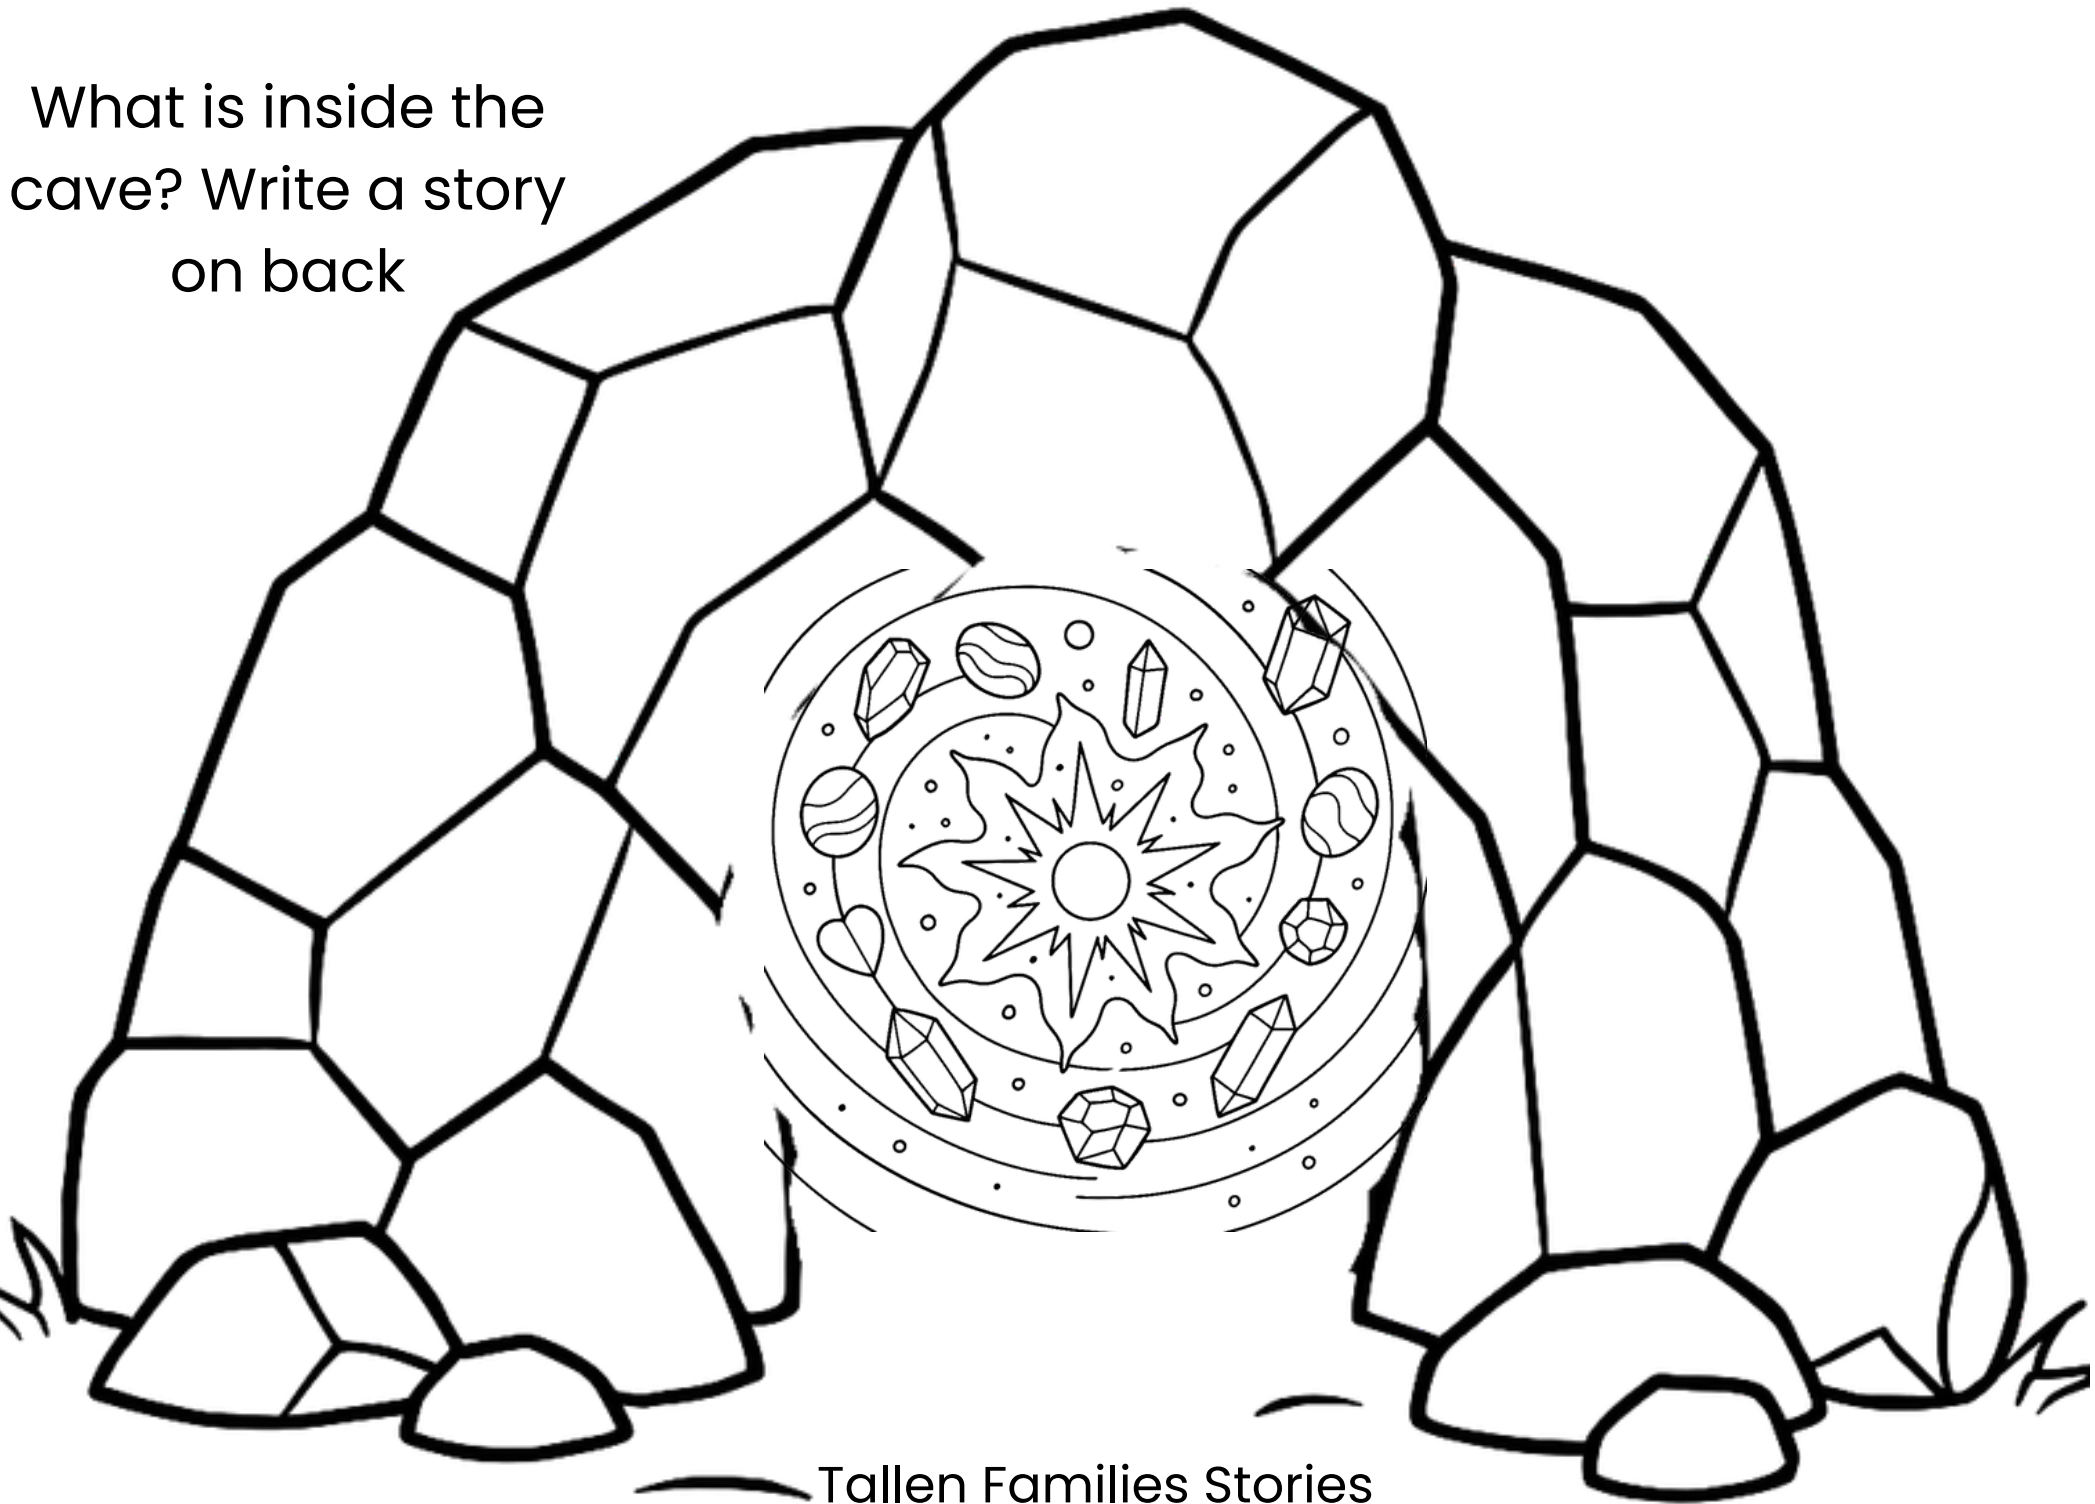

What color are your jewels?

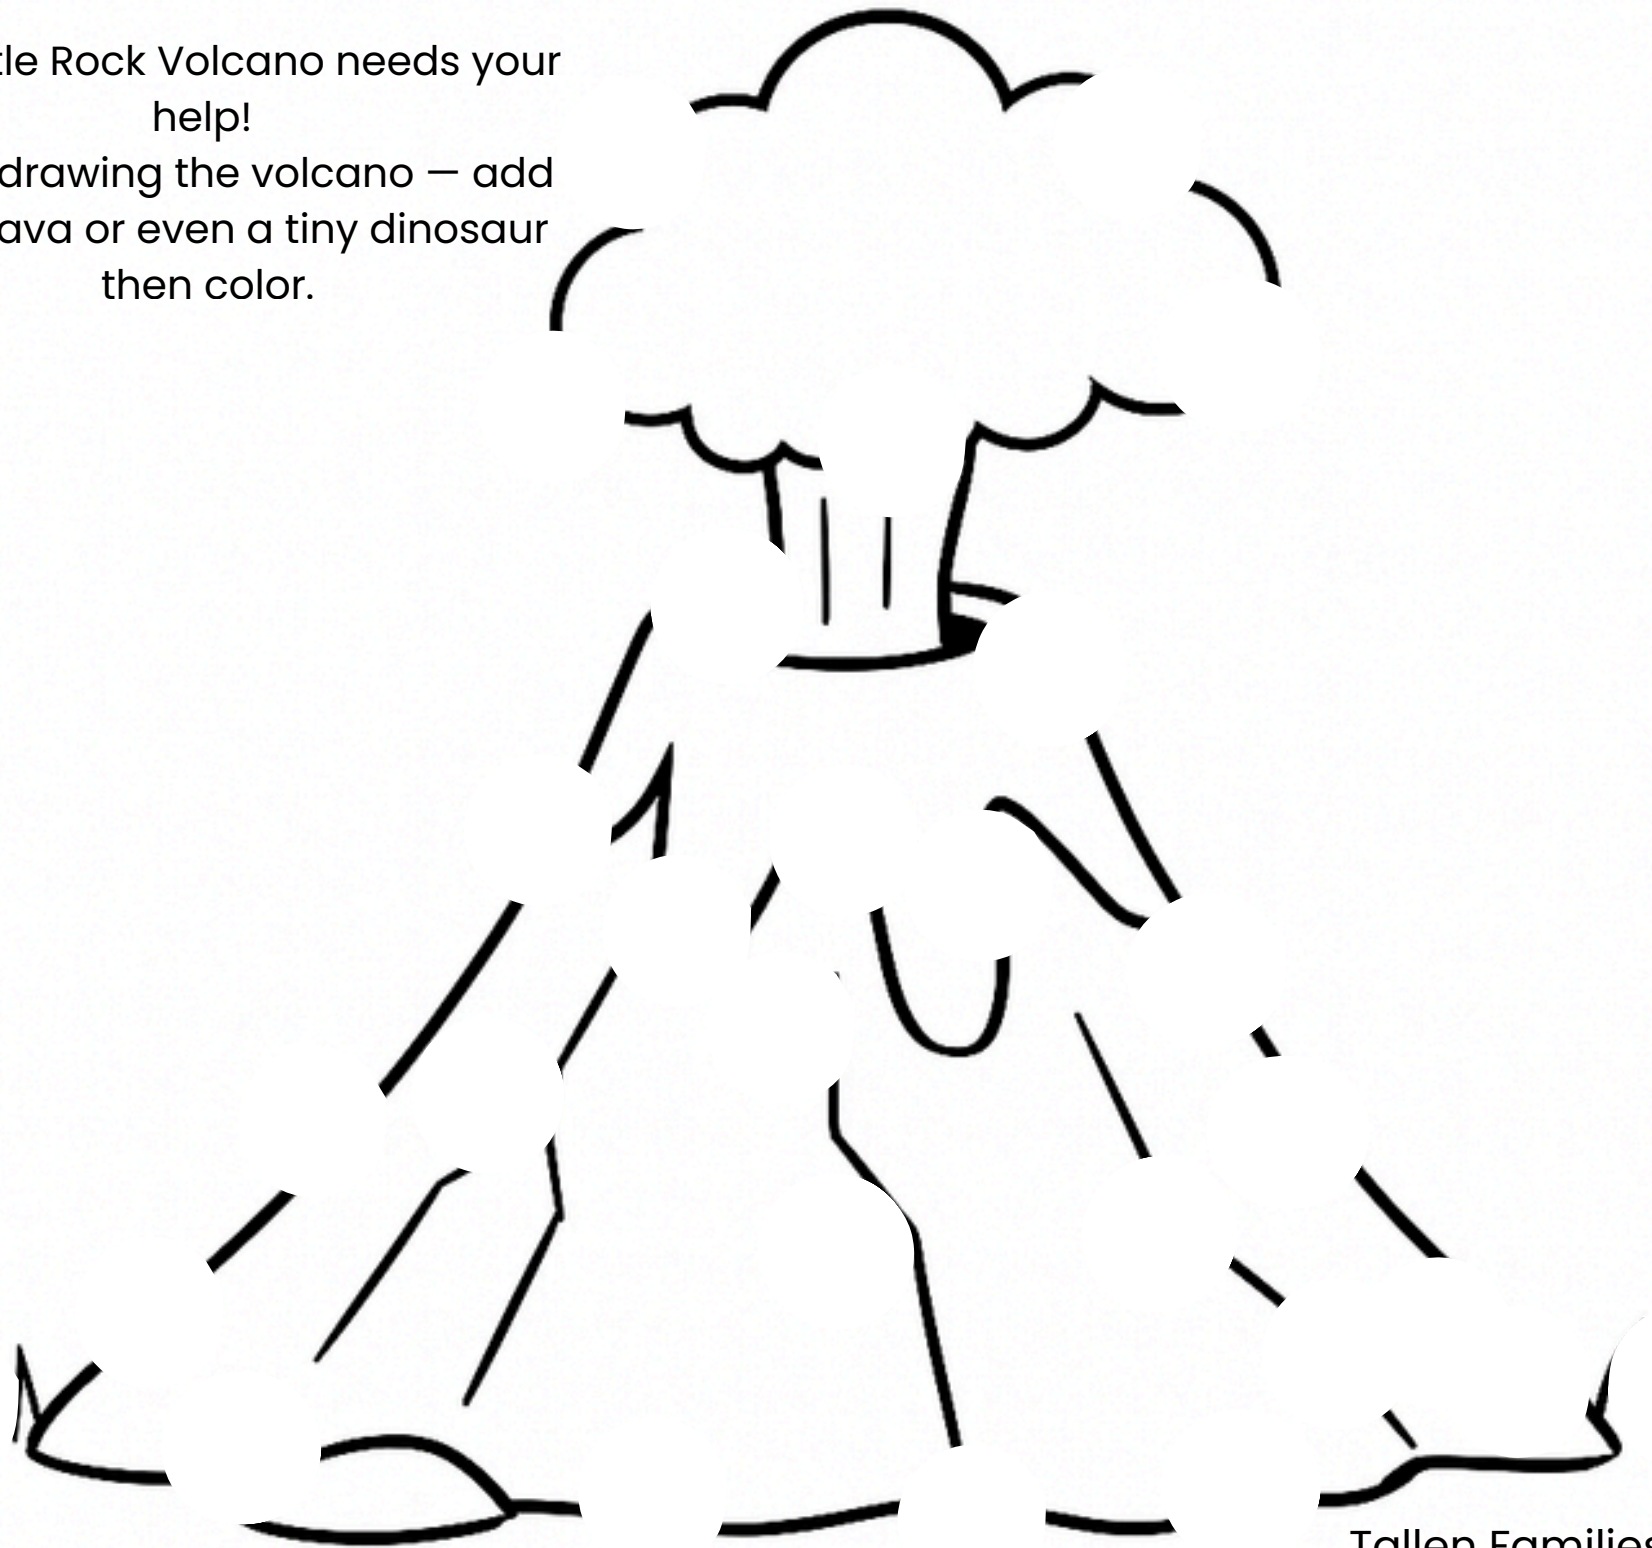

Use a Hammer to break Geode

What is inside the
cave? Write a story
on back

“TFS Little Rock Volcano needs your help!
Finish drawing the volcano — add more lava or even a tiny dinosaur then color.
then color.

Agate lines in
nature are seldom straight
